

## How to Order your Floral Tribute

### Timescales

It is important to place your order as soon as you have decided on your choice of tribute. Some floral tributes need more time to prepare than others and may require us to obtain specialty flowers.

### Payment

Payment can be made via your credit card or debit card. If you are making the arrangements for a funeral then the costs can be added to the funeral expenses.

### Prices

The prices shown are exclusive of VAT.
