

When the death is registered the informant must be prepared with the following information.

1. Full name and surname (& maiden name) of the deceased
2. Usual address of the deceased
3. Occupation of both deceased and spouse
4. Date and place of death
5. Date and place of birth
6. Date of Birth of surviving spouse

Please note that the deceased's *medical card* should be delivered to the Registrar, if it can be located. However do not worry if the card can not be found, it will not stop the registration.

The Registrar will issue the following forms (delete as appropriate)

- 1 **Green Form** ~ return to A. Abbott & Sons (permission for funeral)
- 2 **Registration Letter** ~ this is issued with a unique reference number and used for state pension & benefits / passports / drivers licenses etc.
- 3 **Death Certificates** ~ purchase at £11.00 each (to process deceased's estate)

This leaflet is designed to assist with arranging a funeral.

Please do not hesitate to ask for any additional information.
